- **I will** consider myself an invited guest of the landowner, seeking his permission, and so conducting myself that I may be welcome in the future.
- **I will** obey the rules of safe gun handling and will courteously but firmly insist that others who hunt with me do the same.
- **I will** obey all game laws and regulations, and will insist that my companions do likewise.
- **I will** do my best to acquire those marksmanship and hunting skills, which insure clean, sportsmanlike kills.
- **I will** support conservation efforts, which can assure good hunting for the future generations of Americans.
- **I will** pass along to younger hunters the attitudes and skills essential to a true outdoor sportsman.
